HIGH CLASS MULTIGRAPHING.

We make a specialty of circular letters, and guarantee satisfaction.

Work closely resembles typewritten letters, and we fill in circulars and address envelopes, so as to relieve the business man of the trouble of doing this.

At the same time, our letters have that individuality which is so necessary in circularizing.

Give us a trial, and you will be pleased with our work and the reasonable charge made.

We also take your order for commercial Printing of all kinds.

M U L T I G R A P H I N G .

We are equipped to do high class multigraphing, and make a specialty of the preparation of weekly letters which so many firms need.

Our work resembles the typewritten letter, and we fill in the address on the circulars, which gives the multigraph letter an individuality that cannot be obtained in the ordinary printing.

Our charges are less than printing, and the results obtained through the multigraph letter is evidenced by the great demand of the average business man for this class of work.

If you will phone us we will call and quote you prices and offer suggestions as to the kind of circular or letter which is best suited to your needs.

A trial will convince you.

We also take your order for Commercial Printing of all kinds.

Nothing is Impossible

You may think it impossible to have your earning power doubled, tripled, or quadrupled, but the realization of such an ambition is no more impossible than flying from New York to Los Angeles---telephoning from New York to Denver---or telegraphing without wires from San Francisco to Japan, all of which has been done within the last year.

The International Correspondence Schools offer to men with ambition, the opportunity to make their dreams come true. Thousands of ambitious men are now taking this short cut to better positions---to greater home comforts---to a higher standing as citizens.

Now if you have said, "I CAN DO IT"---say, "I WILL DO IT," and the International Correspondence Schools will help you to succeed.

Free Book to Stammerers

In this book I give the history of my own case. I quote letters from friends and neighbors who heard me stammer for nearly twenty years. I tell of the many alleged cures I tried. I explain how I found out the cause of my trouble and cured myself without drugs or knife. I give letters from people who thought my cure so wonderful and valuable to mankind that they urged me to try my method on others who stammered. I tell how I cured these pupils, too. I print letters from them, many written many years afterward, showing the permanency of the cure.

You stammer for the same reason that I did. Therefore, the same method that cured me will cure you. You should read the book at once. I will send it to you absolutely free. You will not be under any obligations to me whatever. I simply ask you to read it carefully, as you will gladly do after glancing through it. Send the coupon at once.

I will send you a free book of good advice on the cure of stammering if you will tell me how long you have stammered and your name, address and age.

Eyeglasses Not Necessary

Eyesight Can Be Strengthened, and Most Forms of Diseased Eyes Successfully Treated Without Cutting or Drugging.

That the eyes can be strengthened so that eye glasses can be dispensed with in many cases has been proven beyond a doubt by the testimony of hundreds of people who publicly claim that their eyesight has been restored by that wonderful little instrument called "Actina." "Actina" also relieves sore and granulated lids, iritis, etc., and removes cataracts without cutting or drugging. Over 95,000 "Actinas" have been sold, therefore "Actina" is not an experiment, but a reliable method of treatment.

"Actina" can be used by old and young with perfect safety. It is impossible to do harm with one. Every member of the family can use the one instrument for any form of disease of the Eye, Ear, Throat or Head. One will last for years, and is always ready for use. It will be sent on trial, postpaid.

If you will send your name and address to the Actina Appliance Co., Dept. 218-N, 811 Walnut Street, Kansas City, Mo., you will receive, absolutely FREE, a valuable book—Professor Wilson's Treatise on Disease.

I Can Make You a Convincing Speaker

says this man, Grenville Kleiser. Will you give him the opportunity?

People always listen to a man who has something to say—if he knows how to say it.

"Ninety-nine men in every hundred in the crowded professions will probably never rise above mediocrity because the training of the voice is entirely neglected and considered of no importance," wrote Gladstone.

Isn't there a world of truth in his words?

Haven't there been occasions when you have noted the tremendous advantage possessed by the man who can clearly express himself before one or a thousand people?

If you are lacking in this essential qualification, why not acquire it now?

Let Grenville Kleiser (formerly of Yale Faculty) teach you by mail

HOW TO SPEAK
CONFIDENTLY—FLUENTLY—POWERFULLY

—in Salesmanship—Politics—Society—in
Public Meetings—Dinners—ANYWHERE

Let Him Teach You How to Develop Self-Confidence, Power and Personality

It will take only fifteen minutes of your time daily for a few months, and the results are assured. Mr. Kleiser's successful work you are doing in teaching men public speaking by mail, and aiding them to develop their selling force and personal power. You have put into your course your own personal magnetism and enthusiasm, so that men in all parts of the country now have the opportunity of receiving your splendid instruction. Your course has been of great service to me in my business, and I commend it to others in the highest terms."

JOSEPH P. DAY, who sells \$35,000,000 worth of New York real estate yearly, says: "I want to take this occasion to express to you my opinion of the really great educational work you are doing in teaching men public speaking by mail, and aiding them to develop their selling force and personal power. You have put into your course your own personal magnetism and enthusiasm, so that men in all parts of the country now have the opportunity of receiving your splendid instruction. Your course has been of great service to me in my business, and I commend it to others in the highest terms."

If Robinson Crusoe

Had Not Advertised,

He would very probably have died on the island.

He was one of the very earliest successful advertisers; in spite of the fact that his possible audience was exceedingly small, and his choice of mediums and copy unusually limited.

He however recognized two great fundamental advertising principles. Keeping everlastingly at it, and using the best copy obtainable for the intended audience.

The observance of these rules, backed by goods and service, will spell "Success."

The Atlanta City Directory inherently furnishes the first essential, "Keeping everlastingly at it", it is "on the job" every minute of every day of every year, talking to the best audience obtainable. We will help you furnish the second requisite, if you wish, "copy" that will attract the attention of all money spenders of Atlanta.

Two cents a year pays for a whole page advertisement in one copy of the Atlanta City Directory.

E PRINTED THIS BOOK.

That, however, is not the reason for the appearance of this advertisement. Most any printing office, if it is big enough, can print a city directory. Besides, with the exception of a daily newspaper, no other work calls for such a stress on time, and this very haste for fear folks may move before its issue, effectually precludes first-class work.

¶ The real reason for this advertisement is that on account of our exceptional mechanical facilities and the extraordinary ability of the specialists that make up our operating force, this Directory would be incomplete without specific reference to us, in the interest of those who may consult it in any matter involving the graphic arts of Printing, Lithography or any subsidiary industry.

Popular Educational Food Campaign

Free: Four Booklets Which Have Taught Many People to Cure Themselves.

A university student writes from Lincoln, Nebraska:
 "I have confidence in this system. It has relieved an unhealthy skin and mental inertia through the valuable suggestions and hints in your four booklets. There is a mine of practical hints in them; enough to convince a sceptic were he to stick to the rules faithfully and give it a trial.

"Your little books eliminated chronic catarrh from my system in about three weeks. *To put it weakly, I was astonished.* I know now, that butter, eggs and rich cream caused the trouble. I thank you for your knowledge and hope to learn more of your system in the future."

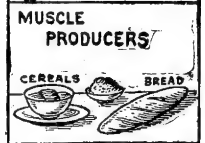

Different Classes of Foods Cause Different Diseases.

I have produced in myself *at will* from time to time such complaints as rheumatism, catarrh, fevers, kidney trouble, blackheads, sores, dan-

druff, etc., by eating different classes of foods to excess, proving that the waste from each class of foods produces an entirely different disease. For instance, eggs, cream, butter, cheese, milk and salt are mucus-making foods which produce catarrh. Starch and eggs (paste-making foods) in wrong combinations congest and produce headache, dullness, brain fag, etc., while lean meats, green vegetables, and fresh, juicy fruits do not.

G. H. Brinkler, Food Expert

Correct Combinations of Foods Cure Diseases.

I have always cured the above-named symptoms in a few days or weeks by returning to a correctly combined diet. The experiments have been fascinating and the results underlie success in life.

People Write:

"My brain power and general efficiency have been about doubled this year by selecting brainy foods. I have made a fortune in real estate and the credit is honestly yours."

"The government should investigate and teach the Brainy Diet System for the good of the nation."

"The hints in Booklet No. III, on foods for curing congested liver, nourishing the brain, etc., are worth untold dollars, although the books are free."

A thin man, after being out of work nearly a year through weakness, was restored in three weeks to hard work as a carpenter at full pay. In such cases the change from a clogging, death-producing diet to energizing foods caused a literal transformation.

Another patient, deaf in the right ear, owing to a discharge caused by an excess of mucus-making foods (cream, butter, cheese, etc.), was completely cured of deafness and catarrh by taking correct combinations of suitable foods.

A case of kidney and bladder trouble of ten years' standing was saved from a surgical operation, and the objectionable discharge cured within ten days, because the loss of control was due entirely to the constant irritation from certain irritating foods and drinks.

Brainy Diet

A chronic sufferer, weighing 415 pounds, unable to exercise, took correct combinations of ordinary daily foods and reduced over 150 pounds (in public life, under many witnesses) gained strength with firmer flesh, and lost rheumatism.

New Discovery Which Was Awarded Gold Medal at Brussels

The Mirror Shows Plainer Than Words What a Wonderful Improvement May Be Realized by a Gain of Even 10 or 12 Pounds

Lean, lank, skinny, scrawny men and women should take advantage of this ten-day Free offer before it expires.

Nothing is more embarrassing than extreme thinness.

It is the plump well-developed man who "cuts the melons" and has the fun socially.

Scrawny, skinny women are seldom popular. We all admire fine figures. No dressmaker can hide a bony, skinny form.

Here is a chance to test free the one guaranteed reliable treatment which has "made good" for years in this country, which has taken England by storm and which has just been awarded a gold medal and diploma of honor at Brussels, Belgium.

Nothing in history has ever approached the marvelous success of this new treatment, which has made more thin folks plump than all the "tonics" and ineffective medicines for fifty years.

There is a reason. Plump, well formed men and women assimilate what they eat. Thin, scrawny ones do not.

This new discovery supplies the one thing which thin folks lack; that is the power to assimilate food.

It renews the vigor, re-establishes the normal, all in nature's own way.

It is not a lash to jaded nerves, but a generous upbuilder.

This new discovery puts on firm, solid flesh at the rate of ten to thirty pounds a month in many cases.

Rest of all—the flesh "stays put."

The treatment is furnished in concentrated tablet form. A week's supply can be carried in the vest pocket.

No one need know what you are doing until your gain in weight causes complimentary comment.

Here is the special offer for the purpose of convincing thin people in this community that these tablets will do just exactly what is claimed for them. It has been arranged to distribute for the next ten days for the coupon below, a free 50 cent package of Sargol.

This large 50 cent free package will be sent you in a private and perfectly plain wrapper, so that no one but yourself will know the contents. Accompanying this package will be full and complete data and directions, letters of testimony and a special letter of expert advice that in itself is well worth your time reading.

If you want to add ten, twenty or even thirty pounds of good, solid flesh to your bones, do not delay, send at once for a free 50c package of Sargol.

All that you have to do is to cut out the coupon below and send it with your name, address and ten cents to pay for distribution expenses to the Sargol Co., Dept. U, Herald Bldg., Binghamton, N. Y.

FREE COUPON

To the Sargol Company, Dept. U, Herald Bldg., Binghamton, N. Y.

Gentlemen:—I desire a free 50c package of Sargol, in accordance with your generous offer. I enclose 10c to help defray expenses.

THIS IS ABSOLUTE, POSITIVE AND BEYOND CONTRADICTION

Twenty-two years of actual use in hundreds of thousands of cases of disease of every name, nature or character has demonstrated the infallible power of OXYDONOR to such an unquestionable certainty that it will stand the most scrutinizing investigation.

Will you write for proof—conclusive, positive evidence of what OXYDONOR has done and is doing?

We want to send you postage free, a booklet containing complete information on how and why OXYDONOR came into existence and testimonial letters from men and women in all walks of life, and in every community who have been taken from the dismal depths of ill health and sickness to that perfect physical condition known as good health through using OXYDONOR.

Many of these people you know either personally or by repute and we know that their honest expression of OXYDONOR Knowledge will outweigh any doubt there may be in your mind as to what OXYDONOR accomplishes.

We fully endorse above statement to the public and want to state further that long years' use of OXYDONOR has shown us its priceless value as a family possession for restoring and maintaining Health. Official recognition of Dr. H. Sanche's Theory of Diaduction would soon rid the world of Disease in its most dangerous forms, but as long as this cannot be had, every intelligent person should regard it their duty to become familiar with OXYDONOR. We consider OXYDONOR the greatest discovery and invention ever made by one single man, and to be deprived of its use would mean the most serious loss we could sustain.

CONCERNING NAMES NOT IN DIRECTORY

A few remarks about those whose names are not in the directory will be permissible

Do not hold the compilers responsible for every omission for the fault is not always theirs

There are people who do not wish to have their names in the Directory and they exert themselves in every way to keep away from the name-takers

While it is certainly no reproach upon people, to have their names in the Directory, there are a number of reasons why some wish to have their names kept out of the Directory, all of which reasons are good reasons why the public should find the names in the Directory

Included in the "Keep-Out-Clan" is the super-sensitive persons, suffering from false pride, who shrink from the exhibition of name and occupation before the public. To this class belong many young ladies and women who are holding respectable positions in the business houses of the city.

ATLANTA CITY DIRECTORY COMPANY

— BLACK TYPE —

¶ The names appearing in **BLACK TYPE** in this directory represent the energy and enterprise of the city and it is a pleasure for the publishers of this directory to have the opportunity to make the public acquainted with them. Those in **black type** are the people who accomplish the wonders in business here and make Atlanta what it is. They recognize and support all the public necessities and things needful to improve and serve a CITY of Atlanta's magnificent possibilities. They are not the drones and sponges who never support anything, but seek rather to gain by others' hard work and money. When you patronize those in **black type** you patronize men and firms who will **PATRONIZE YOU** in the same broad manner that you patronize them.
